STREET IMPROVEMENTS APPROVED FOR WHITEMAN AIRPORT IN PACOIMA

Los Angeles County Supervisor Zev Yaroslavsky has announced that project will soon be underway for improvements to the Tower access road at Pacoima's Whiteman Airport.

The work will include construction of asphalt concrete pavement on base material, curb, and sidewalk and the installation of chain link fence with an electric gate.

Construction will be carried out under a \$152,991 contract awarded to Landshapes, of Montrose lowest of six bidders, with the highest being \$269,254.

The project is expected to take 50 working days to complete, starting in March and ending in May. All project streets may be closed to through traffic during daylight working hours. Local access will be maintained at all times.
